To those who know

The weathercock turns every way the wind blows, but the successful merchant must have a settled policy. He must follow it without flinching.

Our policy is the selling of the best groceries we can find. Of course the prices of such goods must be higher than of imitation brands but there are enough people who know the difference.

We appeal to those who know.

MEET ME AT SACHS'

To Make the Hot
Weather Bearable

All over the store the things that help to make warm weather bearable, forgo to the front at prices both wonderful and startling in their littleness. For instance, Summer Corsets, of which we carry a great variety, and mention one in particular.

THE R. & G. CORSET

WILL NOT STRETCH. WILL NOT BREAK AT THE WAIST. Is absolutely rust-proof, and not only a corset of strength, but a corset of Grace and Comfort. No other Corset to compare with it. Try it. By the way, you ought to examine our Empire Summer Corset. The price is 75 cents. If nature has not given you the figure you most desire, the Koko Bust Perfector will gratify your wishes and furnish what nature forgot.

IF THE WOMAN

Who set up the cucumber as the standard of coolness could have looked through our Wash Materials, our Figured Organdies, Silk Strip Grass Linens, or Cotton Grenadines in Cream Linen Color and Navy Blue would have been her thermometer. The reason is they're as light and cool as it is possible to have them—and the prices are as light as the goods. Before closing this little talk we wish to say that we have just received a new shipment of White Shirt Waists, Wash Neckwear, Windsor Scarves, Combs, Fascinators and Worsted Knit Shawls. Come and see them.
